“ *I am so sorry to hear of Ron's passing. Even tho i didn't know him that well, we had many chats together and I enjoyed talking to Mary Ann when she came shopping in Target when i worked there. Fond memories of both of them. Also could usually find Ron at an auction! ha. To Brandy & Brad and all of the Herian clan, my sympathies to all of you. Rest in Peace, Ron.*

“ *I worked with Ron at Norfolk Iron for many years, always good advice and friendly conversations. We shared many stories of our years growing up and other interest. Ron was one person you could truly call a friend, he will be missed. We wish the family peace in the coming days.*

“ So very sorry to hear of Ronnie’s passing. Ross and Ronnie were closer to me age-wise than my own brother. I have many fond memories of Howard/Ruth, Ross/Sondra, and Ron/Mary Ann. What great times our families had together. I hope I can still stay in contact with Brad and Brandy.

“ Such a shock to hear he’s gone. I liked his laugh when something really struck him as funny. Listening to Ronnie and my dad, Ross, banter back and forth like brothers do. The days in Pierce playing cards and potluck meals. Rest well, Uncle. -Jo

“ Ron was my brother-in-law and I have many precious memories of things he has done for me over the years; like asking his brother who was the county assessor to guide me on property matters, giving me his old 65 Ford to restore and drive around, handling automobile title matters storing my dad's 1957 Ford and many hours chatting with me and helping push around old cars and I could go on and on. I sure miss him as much as I do Mary Ann.
