“ I worked with Sage at the Hombre in Newman Grove. She was my right hand cook in the kitchen. I loved working with her. She was still in High School, but she was so dependable. I have always kept in touch with her and even seen her shopping at the mall in Norfolk awhile back and had a great chat. I couldn't believe it when I seen this news!! My heart is broken that we lost this beautiful young lady. I am praying that God must of had a plan for her. She is now a beautiful Angel! We lost our daughter 3 years ago, I feel your grief. God Bless every memory you have.

“ Sage was a former 3rd grade student of mine and was a caring and compassionate soul even then. My heart is so sad to hear of her passing.
