“ I taught with Sandy at Madison Elementary, and after she retired she was my substitute when I was undergoing chemo treatments. I knew my students were in good hands. After my retirement she came to my home several times for coffee. What a wonderful teacher and friend. I will miss her. My condolences to her family as they lose both their parents.

“ Mrs. Maybon was one of the most influential teachers in my life. She challenged us to be the best and pushed us to learn more than we thought possible. She introduced us to the world with our own St. Leonard's Olympics, German and French days, and so much more. She was firm but fair and always knew when we needed a laugh. She influenced the lives of so many and had an impact more than any will ever know.

*God Bless you and your family.*
