“ Scott gave this to me many years ago. I have many fond memories of Scott and his compassion caring for others.  
My earliest memory is an all out brawl between us in the junior high computer room. He and I became good friends later on in life and spent time together fishing, watching NASCAR. My fondest memories are of us sitting on what was my porch, but became his, talking, cooking something on the grill, and just enjoying having a friend when it seemed like I had few.  
He would bring home these huge bags of aluminum cans from work and I would have my daughters help smash them and then we would buy piles of fireworks and steak and really have a special time for the 4th.  
I will miss you my old friend. I'm sorry I wasn't there more the last few years.
