“ I have soooooo many memories of Scott from high school. He was one of my best friends. Scott was a go getter, he liked to get things done. Everyone loved to hang out at Scott's house, that was where everything was happening. We also loved going to Tim's house, it was so cool to hang around with his older brother. Scott always had so many friends. We traveled to Europe together for several months the summer of 1976; I remember meeting Becci that summer in England. I will always remember Scott as adventurous, an entrepreneur, fun loving, strong minded, a leader and one of my dearest friends. My condolences to Tim, Becci and his family. He will be dearly missed.

“ So sorry for your families loss. I took care of Scott during his time at Holy Spirit and became pretty fond of him. My coworkers and I had a lot of good laughs with him, he was a jokester!
