*Uncle Terry I am so sorry for your loss! Aunt Sherry was a very special lady that will be greatly missed by many. I am so lucky to have many great memories of spending time with the both of you throughout my childhood and adult life.*

*Please know that not a day goes by that I don't think about you and I pray that you are able to get through this as I know how difficult it has been for you. Sherry is in a much better place and she is smiling down on you each and every day.*

*Love you!
