Sherri was a devoted employee of USBank for nearly 40 years where she held various roles until she retired in January, 2025. Sherri loved riding horses, cheering on her beloved huskers in all sports, fountain Pepsi and volunteering in various capacities – namely in serving animal shelters and regularly taking her service dog to bring cheer to nursing home residents. She was a caring and supportive grandmother who loved being active with her grandkids.

“ *I met Sherri for the first time this last winter as we are new comers to the PebbleCreek community. I finally got to have her as a pickle ball partner in June, which was truly a highlight for me. What a kind, beautiful person. My heart breaks for the family and I'm sending many prayers of comfort. Valarie Ramsbacher*

“ *My deepest sympathy to Sherri's family. What a sad surprise it was to hear. I have many good memories from our volleyball/softball days. I knew the balls I had to play and the ones I could let go if she was behind me in the back row or playing shortstop. When we warmed up for softball, we would always step back after each throw to see how far we could make it. Such fun!! I got to play with her again at alumni for a number of years and one year we won the tourney.*

“ Steve and family - we are so sorry to hear of Sherri's passing. Tanya and I both have a lot of fond memories of both you and Sherri. We spent many years competing on the volleyball court and softball fields together. Even though Sherri's journey has come to an end yours continues along with the beautiful family that you have.

“ I love you so much Sherri. The memories I have of us, as painful as it hurts right now, will help me get through every day. I am hoping all the pain I'm feeling right now will be with me part of every day to remind me of how much love I still feel for you. As I look back at all of our life's adventures I realize that even though we didn't have a long life together we lived a lifetime together during that time. I feel I loved you even before we met. Until we meet again my love I will live out the rest of my life as you would have wanted me to. Goodbye for now Sherri. ❤️
