“ Shirley & I went to Grant school together & remained friends thru high school. My most fond memories were when Karl was working at Double K and she would get permission to take his car for a ride . Beautiful Malibu too ! We would crank up the Momma's & Papa's and sing and have a ball. I am so sorry for your loss Karl and peace be with and your families. Vickie Martens Jenkins , Class of 1973

“ Danielle and I were blessed to have Shirley and Karl to be our neighbors in the Poudre Canyon. She was a joy to talk to every time she caught me headed up to our house. She was quick with her jokes and always wore a smile. She was super excited and supportive when we brought our first born home. She did not miss the opportunity to make Conor a special gift or getting him one. She was one of the good ones! Heaven received a loving, hugging jokester!!

My next door neighbor here in Arvada! Always a smile and never an unkind word. A joy to be around. Never knew what gift she would be bringing over. I'll remember her smile forever, even at the Amara just 10 days ago!!

“ Sending condolences to Karl and the family.  
 Shirley was one of a kind, and heaven gained  
 the sweetest soul!

*My husband, Bruce and I, met Karl and  
 Shirley when we lived at Seamans reservoir  
 and they lived at Gateway Park. Shirley was kind, full of love and  
 humor, and had a spicy side when she thought something wasn't  
 right.*

*I have sweet memories of Shirley showering our young kids with  
 gifts, hugs, and a lap for rocking. It was always a treat to get to have  
 dinner out at Vern's with Shirley—she loved their chicken tenders.*
