“ So sorry to hear of Steve's passing. While at NCC in the mid / late 70's Steve and I spent many hours playing basketball, softball, listening to music and just talking. Steve was a great friend and though we had not talked in many years, the memories that we're made still make me smile. My thoughts and prayers go out to Steve's family.

“ I knew Steve from our time at NCC! Those were fun years! I am so sorry that I lost contact with him. I had no idea he was in Norfolk or I certainly would have stopped in to chat. God bless and comfort you.

“ Steve was my room mate at NCC for the spring semester 1980. We had so much in common, mostly music. He was a great friend to me. He was also one of my groomsmen in our wedding. We lost track of him for many years and found out in 2018 that he moved back to Norfolk. Only 100 miles away. we planned on going to see him that year but didn't get up there. In 2019 the flooding made it difficult to travel. This year the Covid -19 pandemic. We are going to really miss him. I am sorry Steve for not being more persistent in coming to see you. See you again some day in Heaven !

“ We got to know Steve by frequenting Wing Street at least weekly. He just had this spirit of JOY and a sense of humor that was so refreshing! He was great with a one-liner or a string of them, but could also be on the receiving end with a huge smile. It was quite obvious that he was one of God's very special angels that just made life better for those who were blessed enough to be around him. We will miss him very much, and are very sorry for your loss!

“ I remember Steve from NCC. He had a servants heart! You couldn't help but laugh along with him and his smile just made you feel good inside. Sorry to hear of his passing but I'm sure he is telling some pretty good stories to the angels right now. He made an impact on so many lives!

“ We met Steve at Sunnyside Christian Church, when he was in our youth group and we watched him grow to be a wonderful man. Joan remember when Joan taught him how to drive and when he failed the drivers test because he didn't look to left and Joan said well did you tell the instructor you had a glass eye and he said "no". So, next time he took the test he just looked to the left and passed. John's favorite memory is going to Denny's when Steve was the cook and the manger to see him and catch up. We love you Steve and look forward to reuniting in Heaven.

“ I worked with Steve when the Pizza Hut was on South 13th. Great guy always a joke. Talk about him loving to read. When he moved he stored all of his boxes of books and our home. The one moment I remember was when he had me make macaroni salad for the buffet. Well the next day he called me and said I thought you knew how to make it? Yes I do. Well it's really salty he said. So when I got there someone had moved the salt and sugar around. Never could save it. Lol.. A great boss and great friend. RIP Steve.
