“ *I am so sorry to hear Suzann has passed away. She was always a great friend to me and I will always remember her perky personality. She was also a very beautiful lady and will be missed.*

“ *I didn't know Suzi like so many others knew her. But I did hear of her amazing talents, and I did see how very much she was loved by her family. I have seen that beautiful smile on her face... I know how missed she will be by those who love her on this earth...and how loved she now feels in the arms of her Heavenly Father who has passionately loved her from the moment He made her.*

“ We had so many great memories. I loved taking care of her! She was beautiful and kind. She always reminded me how amazing I was at my job and how much she loved me. I truly loved her too. She made me smile when I was having bad days at work. One good memory I have of this beautiful soul was helping her get all her things packed to go home :(I also got to bond with her and paint her beautiful fingernails. 💕😊 there was never a dull moment with Suzi. She always had a good outlook on life. She will be missed by so many. My heart is broken for the family and others close to Suzi. 😭

May the Lord sustain you in your great loss Evonne. Even though I haven't seen Suzy in many years, I will always remember her as the most beautiful child I ever laid my eyes on. Her journey on this earth has ended, but it will be a great joy to see her again in eternity where there are no tears and no more pain.
