“ Sue - you were always smiles and laughter!! When I first met you in the 80's we were both working for law firms and getting mail at the post office downtown, we become good long lasting friends from that point on! I will miss you and remember the good times and oh those jokes and laughter we would share through the years and trials and triumphs. Hearing about Niki and Nathan and how wonderful they are and successful!! I will never forget our "talks" and our day after Thanksgiving shopping, lol. Blessings, Kathy

“ Nikki and Nate I remember your mother being a very happy-go-lucky person oh my goodness did she love the two of you to the ends of the Earth. So proud of both of you she was what an awesome mother. Of course I remember the Golden Girl days however your mother and I went back before that 2 fastpitch softball days with Vern and Mike. I remember her and I being pregnant at the same time with two beautiful daughters. We compared stories and pregnancies. How we loved our two girls being friends and teammate. I remember what a doting wife she was to you Dave. She loves you whole heart and soul. In your time of need she did not want to leave your side. Her love for you just flowed out of her. She was by your side as she appreciated you being by her. This world has lost a wonderful woman. She will be missed by many. My heart goes out to all of you and just be peaceful with the fact that she is in a better painless place. Love you all Roseanne
