“ *I enjoyed working with Betsy at the Norfolk Y. She attended my class of Foundations of Movement. Betsy always came with a smile and a great attitude. She worked hard at the exercises that were difficult for her to do. Betsy also took care of everyone who was in class. With a smile, she made sure everyone had a chair and the equipment of the day. I know her health prevented her from attending class and she was missed by the other participants and me. Rest in peace, Betsy.*

“ *I'm so very sorry for your loss, Tom, Nathan, and Maria. I enjoyed working with Betsy during the alumni activists at the college. She was always willing to help, which I greatly appreciated, even though she was not an alum! My thoughts are with you at this sad time.*
