Drew and family- I was an instructor with Traci at the college. I will really miss her smile and her love for life, nursing and teaching. We had many laughs over nursing and teaching. May God bless you and your family at this sad time. Traci will be with you and helping you through the tough times.

“ To Drew, Nathan, Joey, Dani, and the rest of Traci's family: You have our sympathy and prayers at this difficult time. What a sad surprise to read of Traci's death in the Aurora paper!

We have very good memories of Traci and your family when she lived here! In spite of many trials and problems, Traci was always optimistic, ambitious, and full of energy. She fiercely loved her children and would do anything to provide for them. We so greatly admired her determination to get her education while working and taking care of the family!

We are so happy to know that Traci had accepted Jesus as her Savior and was trusting in Him for her salvation, so we can take comfort in knowing she is enjoying her heavenly home now. I've prayed for your family many times over the years and I trust you have given your hearts to Jesus, just as Traci did.

Praying for God's comfort and peace for you, Carol and Ron Kremer

“ *Traci was my Instructor at Northeast. This lady was amazing at everything she did. Pushing you to your limit was what she loved, just so you new you could handle the situation. She expected nothing but the best out of you and there was no excuse for missing something important. She made me a better person. I was heart broken yesterday when I heard. I really couldn't process it. You will fly high Traci God has that one special place for you. You will be missed, my prayers to the family. Prance around in your Red High Heels!*
