“ *Becky, Emma and Anna, Linda and I send our condolences. We were saddened to learn the news. You of course remember that Tom and I worked together for several years. The Brass was where you two met. Tom and I were really more friends with common interests than restaurant guys in those days. I always had the highest respect for Tom's honesty and strong, work ethic. I will cherish my memories of Tom and hope you will yours. Tom will be missed by all who knew him. May God's healing Grace comfort you and your family. Dan and Linda Mauk family*

“ I was a life-long classmate of Tom's and always admired his good-natured personality. I don't ever remember him being in a bad mood or upset about anything- he always had a smile on his face. The world lost a good one way too soon. May God bless Tom and his family. Tom Vlach.

“ I knew Tom since grade school. I played basketball with him and worked with him for several years. He was one of the hardest working guys I've ever known. While many of us would be swimming or playing baseball, he was usually mowing lawns or working somewhere. I'll miss his great sense of humor. My condolences to his family. Larry S.

I had Tom as a salesman 7 years ago for Norfolk Public Schools, ordering quality products for the lunch program. After we finished the ordering he'd always have time for visiting about his daughters in sports at Norfolk Catholic School. Extremely kind man with great humor. I'm sorry to have read of his passing. Our condolences to his family.
