“ *We want to extend our sympathies to Turena's family. Both Wayne and I went through high school and graduated with her in the Class of 1969. Turena will be remembered by her quiet mannerisms and her beautiful smile. -Wayne and Connie Rankin-*

“ *Turena grew up several miles from our farm, about equal distance between Newman Grove, Tilden, and Petersburg. We went to Newman Grove High School together for four years. She was as nice and smart as she was shy growing up. She had a beautiful smile, and never a cross or mean word to say about anyone. As she grew into adulthood, she really spread her wings and took off. Good for her! From the Hansen family to the Mock and Bauer families,our sincere sympathies. She will be missed. John K. Hansen*

“ We are so saddened by the news of Turena's passing. We have never met anyone who faced her illness with such grace and knew that her comfort came in her belief in God. Our family is blessed to have had her as our neighbor. We are thinking of you, Stuart, and want you to know if there's anything we can do for you, we are literally a stone's throw away. We will never forget how she thought our cat was a raccoon napping on the truck and when she graciously welcomed us into the house. And she had the most beautiful violets on the window sill! Our most sincerest condolences to all her family.

“ Turena worked at Pierce manor when Dad was admitted there and I had the pleasure of working in association with her with hospice patients. Such a kind and caring individual. So sad to hear of her decline and death.

“ Turena was a bridesmaid at my sisters wedding. Stuart a groomsmen. On my sisters wedding anniversary one year we decided to recreate their wedding only with a twist. The bridesmaids dressed as the groomsmen and the groomsmen dressed as the bridesmaids. It was the best time ever. Rest In Peace Turena
