“ Sorry for your loss, Wayne was a good friend and a great competitor. Wayne and I played a lot of fast pitch softball together after high school and college; could not of asked for a better catcher. Oh and those out of town tournaments, we had a ball.

He will be missed.....

“ I met Wayne (Bruce & Patrice) when my family moved to Palmdale and we lived in Desert View Highlands on Ocotillo. I could be wrong about when we met, but I do believe we were both in 1st Grade and our teacher was Mrs. Baker and we went to Juniper School. Wayne was my favorite friend that just happened to be a boy. He was ALWAYS so nice to me. I'm sorry for your loss. Please know he left such great childhood memories for me.

"It is not the critic who counts, not the man who points out how the strong man stumbled, or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena, whose face is marred by dust, sweat and blood, who strives valiantly, who errs and comes short again and again, who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause, who at best knows achievement and who at the worst if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat"
