“ May God ease your pain. I will always remember the sweet little boy that came over with Austin years ago to play with my sons. They quickly became friends. I always enjoyed seeing Wesley when he was in town with Austin. Wesley was a very wonderful & delightful boy, who grew into a wonderful & delightful young man. Our prayers are with you.##imported-begin##Robin Ritter/Rex & Zachary Gainforth##imported-end##

“ Alicia, I just heard about Wesley. I am so sorry for your loss. Please know that my thoughts and prayers are with you and your family at this difficult time. There are no words to express the pain of losing a child. Please look to God, family and friends to help you through this unexpected loss. I can't be there but know that I will pray for your family and Wesley. Wesley was a wonderful young man, hold onto all of your wonderful memories. Please know that I am always here for you Alicia. Please call me if you need anything. Love you!

God of hope, we come to you in shock and grief and confusion of heart. Help us to find peace in the knowledge of your loving mercy to all your children, and give us light to guide us out of our darkness into the assurance of your love, in Jesus Christ our Lord. Amen
